GOVERNMENT EMPLOYEE FACES TWO CHARGES

Lonzo Bolin Accused of Tampering
With Quarry Machinery and
Stealing Oil — Hirth Is In-
dicted.

The first four days' session of the
Federal Grand Jury has resulted in
the finding of seven true bills, a partial
report having been returned by
the inquisitors this morning.

Two indictments are returned
against Lonzo Bolin, formerly an
employee at the government quarry at
Molokai. Bolin is charged in the
first instance with tampering with
government machinery at the quarry
with the intention of disabling it
and possibly endangering the lives of
the other workmen. The other in-
dictment charges Bolin with the

Ting Fang Creates Stir

WASHINGTON, Oct. 14. — Wu
Ting Fang, the famous Chinese
statesman, is creating a new sensa-
tion for Washington by attending
spiritualistic seances. Minister Wu
while awaiting his successor, has
been making himself comfortable in
Washington and gratifying his taste
for study of the occult. Wu states
that he is pursuing the spirits purely
from a scientific standpoint.

HARRISON ISSUES WARRANT FOR ARREST OF CHRISTIAN.

John Christian was placed under
arrest this afternoon at the instance of
M. T. Harrison, a local attorney. Har-
rison claims that he was assaulted by
Christian. It is charged by Christian
that the assault was not without pro-
vocation. He claims that Harrison
forced his unwelcome presence upon
himself and a lady as they were leav-
ing a hotel street theater.

Bernhard Dernburg, German col-
onial secretary, left Copenhagen for
the United States. He will study cotton
growing in the south.

HONOLULU is not the
only town enjoying
the bustle and novel-
ty of a Y. M. C. A. building
campaign. The work for
\$100,000 is in full swing at
Pueblo, Col., with a num-
ber of the officers of the
State and all the big cap-
tains of industry in har-
ness.

In looking over the lit-
erature of the campaign in
progress elsewhere it is
observed that Honolulu is
not a minute behind its
sister communities on the
mainland. The civic spirit
has been aroused every-
where and the war cry of
"One for all and all for
one" has solidified factions
and elements everywhere.

Mr. Walter Dillingham
is one of the city's leading
young men who is well
pleased with the campaign
now on here. He says that
for years Honolulu has
been wanting some move-
ment or scheme out of which harmony
of action could come and that it seems
to be realized in the Y. M. C. A. build-
ing campaign. The slogan "Honolulu
United" means much more than the
success of the present undertaking.

There are many other things to be
done for Honolulu within the next few
years and this spirit of concerted ac-
tion will mean the accomplishment of
about anything that is set up as
a goal.

The third day of the campaign is
now ended and the workers are ear-
nest active and sanguine as ever. The
central idea is of course to get the
money in the amount of the mark set.
Behind that is the determination to
bring the list of contributors up to an
even 1000. The canvassers are now
taking longer lists of names each day
and the value of the system which has
been in preparation for the past eight-
teen months is seen in the smooth-
ness of operation no time being wasted
for instance in looking up gentle-
men who are out of town. There is a
list of these at headquarters.

An interest in the campaign is now
being manifested by the ladies. A
number have volunteered to assist
and several will make handsome con-
tributions.

Wild Rage In France and Italy

PARIS, Oct. 14.—The people of
France and Italy are roused to the
greatest indignation by the execu-
tion of Francisco Ferrer, the Span-
ish educator, by the Spanish author-
ities of Barcelona. The so-called
slaughter of this man is the talk of
every class, and mob violence is
feared.

Owing to the bitter feeling that
prevails strong guards have been
placed about the Spanish embassies
of France and Italy and also about
the Vatican at Rome.

Winners At Big Guns

WASHINGTON, Oct. 14. — The
Navy Department today gave out the
winners in the naval target practice
for the season of 1909.

The cruisers Washington, Charle-
ston and Wilmington take the coveted
prizes for the highest proficiency in
marksmanship, and Tingey of the
Pacific fleet leads the fleet for the
greatest number of hits, his record
being forty-two.

MOTHER JUDITH DIED YESTERDAY

Rev. Mother Judith, in the
world, Marie Fraser, died last
night at 10:20 at the Convent
of the Sacred Heart in this
city.

Rev. Mother Judith was
born in Du Puy de Dome,
France, on Aug. 14, 1834, and
came to this city on May 4th,
1859. She was one of the
pioneers of the community
and succeeded the first Su-
perior some 35 years ago as
head of the Convent.

A few months ago, on ac-
count of old age and ill health,
she resigned, and her death
came not unexpected.

She was universally known
for her sweet character and
has been the heart and soul in
the progress and development
of the Catholic education in
these islands.

The interment takes place
this afternoon at 4 o'clock
from the Catholic Cathedral
to the church cemetery on
King street. Tomorrow morn-
ing at 9 o'clock a solemn Re-

for the repose of her soul. All
friends are respectfully re-

Cook's Men Call Him Fakir

NEW YORK, Oct. 14.—Edwin Bar-
rill, who was Dr. Cook's companion
on his famous supposed ascent of Mt.
McKinley, made an affidavit today
that Dr. Cook never reached the top
of Mount McKinley, but faked the
data and the photographs.

This latest indication that the
man claiming to be the first to reach
the North Pole is a monumental fakir
has produced a profound sensation.
Dr. Cook claims to have been the
only man to reach the summit of
Mount McKinley, and his book tell-
ing of his ascent has had a large
sale. He describes the trip in in-
tricate detail, and it makes very thrill-
ing reading. This has been accepted
by the leading geographical societies
of the world.

Statements have been made from
time to time that Cook did not reach
the Mount McKinley summit, but
they have never come in the direct
form that Barrill's affidavit now puts
the charge.

MILLER CONFIRMS IT.

SEATTLE, Wash., Miller, the pho-
tographer who faked the photographs
for Dr. Cook's alleged ascent of
Mount McKinley, confirms the state-
ment made by Edwin Barrill in New
York today. Miller admits that the
story was faked by Dr. Cook and that
he assisted in fixing up the photo-
graphs to illustrate Cook's story.
These photos were admitted as proofs
of the ascent having been made.

Chief of Detectives Leal made a
clever capture of an alleged burglar
this afternoon. The man, a Korean,
is accused of breaking into the home
of Mrs. A. L. Boardman on the cor-
ner of Punahou and Young streets,
and stealing therefrom a silver
watch, Masonic chain, a pair of
spectacles, a ring and \$18 in cash.

The Chief was notified of the rob-
bery this morning and at once sent
his men out on the trail of the Ko-
rean, who is an old offender. The
alleged burglar, whose name is
Chun Duck Soon, was arrested by
Officer Kellett and lodged in the po-
lice station; all the stolen goods
were recovered and the alleged thief
will appear in court tomorrow
morning.

Champions Again Tied

PITTSBURG, Oct. 14.—Baseball
fans of this city witnessed today the
most exciting game of the series for
the world's championship, when the
teams were again tied by Detroit
winning.

Pittsburg did its utmost to break
the hold of the Detroit s by chang-
ing its pitchers, but was unable to
overcome the lead. The Detroit bat-
tery, however, went through with-
out change and received splendid
support. Pittsburg had Willis, Com-
nitz and Phillippi in the box, with
Gibson catcher. The Detroit battery
was Mullin and Schmidt. The teams
are now tied for the championship.
Today's score was:

	R	H	E
Pittsburg	4	8	1
Detroit	5	10	1

oplexy.

roe, Michigan, July 15, 1840. He
graduated at West Point Military
Academy and served in the Second
U. S. Cavalry from 1865 to 1875. As

NAVY STRAGGLERS TO JOIN THE FLEET.

Within the past week a dozen blue
jackets have been rounded up in and
about Honolulu. They belong to the
eight United States cruisers which
recently paid this port an extended visit.
The stragglers will be taken to the
Philippines by the United States
army transport Thomas, sailing this
evening for Manila by the way of
Guam. They will rejoin their ships in
Philippine waters.

The men have been placed aboard
the army boat by the local naval au-
thorities. It is believed that several
more stragglers will be gathered in.

HENEMWAY WILL NOT ASSIST HAWAII

County's Request For
Loan Of Deputy
Denied

BIG ISLAND WITHOUT A PROSECUTING OFFICER

Supervisor Shipman Is Told That
the Territory Cannot Assist the
County Out of Its Legal Mud-
dle.

Attorney General Henemway has po-
litenly but firmly declined to grant the
request made by the County of Ha-
waii through Supervisor Shipman this
morning that he send a deputy from
his office to act for the County during
the term of the Circuit Court of the
third circuit which opens at Kailua
October 27.

Supervisor Shipman, who is now in
Honolulu, received a wireless message
from Supervisor Lewis asking that he
request Attorney General Henemway
to send a deputy for the Kailua term
and he called upon Henemway at the
Capital this morning. The result was
that Supervisor Shipman was informed
that the department could not spare a
man to assist Hawaii and that in view
of the fact that the last Legislature in-
sisted that all criminal work should
be left entirely to the hands of the
Territory could be constantly expected
to assist the county of Hawaii, the
personnel of the department having
been reduced on the basis mentioned.

Hawaii's trouble arises through the
serious illness of County Attorney Wil-
liams, who is lying sick at Honolulu
and who will be incapacitated from
work for some time. The salary of
the Deputy County Attorney, Carl
Smith, has ceased through the with-
drawal by the Board of Supervisors of
its approval to Smith's appointment.

The county is now in the peculiar
position of being without a prosecut-
ing officer. Carl Smith naturally de-
clining to serve the county when the
Supervisors practically ousted him
from his position by withdrawing its
approval to his appointment. There
